DEDICATION

This edition of the Tiger is dedicated to Margaret Warren, who has given the best of herself to the Class of '69 and to the entire school and community. She has provided unfailing support and devotion during times when they were needed most. Of her almost 30 years of teaching service, 15 years were spent at Elida before her retirement in 1962, and she still retains an active interest in her students.

SUPERINTEND

Mr. Arnold

Mr. Arnold has served two years as Superintendent after a year as High School Principal and five years of teaching Voc. Agriculture.

He received his AS degree from Mary State Agri. College, his BS in Animal Husbandry from Panhandle A&M, his BS in Agri. Education from OSU, and his MS from NMSU.

SCHOOL BOARD

Vice-President Tommy McGee, Secretary Kenneth Dixon, President Lewis Cooper, Temple Rogers, Haskel Worley.

Not shown in the picture are Charles Good and Bob Daughterty, who were elected in 1969.

ENT

Rush! Rush! Rush! Hurry! Hurry! Typical of a busy school year! Now we can pause and remember an eventful year that we shall never forget. But when memories become vague whispers, we shall turn these pages with a wistful smile and reminisce together. And we shall remember that fateful evening in May, when students and teachers, with mixed emotions, stepped out into the late spring winds. Hearts were gay, yet heavy too, as Young America went out to greet tomorrow. Pausing only momentarily to listen to the sounds of school, they walked, skipped, and ran out across the New Mexico prairie, and were gone. . .

Another class, the Seniors of "69" was graduating . . . going out into the world to become a part of a great democracy as students, or business men, or "little people" on the side streets of America. This was the twelfth year-final hour. The world is in their hands; for thus Democracy marches on . . .

DeLaro Arnold

The Elida High School was built in 1929. It has been under extensive remodeling for the past two years.

Humbly, we express our appreciation to you who placed "teaching" above personal popularity, social prestige, and the daily dollar.

Thanks to you who held out a goal; urging your students to excel. Above all, we are grateful to you who cared enough to dare the wrath of rude, thankless parents, in sending notes home with "A" students, saying: "They are not measuring up to their capability."

We are confident, Gerald could be led by no better people . . .

Sincerely,
Mr. and Mrs.
